Hi Ben,

We've decided to set up a SPV specifically for the purchase of the coin. Arthur, cc'ed here, has the details on the SPV. Originally, it was to be done through a contract, but for sake of ease (there are numerous purchasers)... we are doing the purchase in one single bulk buy through a SPV.

Arthur, do you have the details on the SPV yet? Ben would like to purchase between \$750k - \$1mm worth of the AML Bitcoin.

Oh, and Ben... fun side note... the company is purchasing a SuperBowl spot for marketing (this is after the coin hits the exchanges!)

cheers,

Hi Japeth,

Welcome home! Hope you enjoyed your vacation.

Let me know what you need from me to set up an account? I'd love to fund this week so that I don't miss Phase 2 pricing.

Thank you!
